

Artist of the week Michelle O. of Portland

Some people make gemstone tree's and then there was this tree. Over 50 pounds.

185 ft 16ga copper, 4023 ft 24 ga copper, 897 ft 22 ga copper. 2 ½ pounds of amethyst chips, 40 MOP blossoms, fresh water pearls. Michelle started this in May & finished it the 1st week of November. Just an incredible piece.
