

Artist Dorris Lott

I began creating belly dance costumes and accessories approximately 6 years ago. All bra and belt sets are hand sewn with hand strung beaded fringe for quality and perfect color match to design. Abeer Dance produces one of a kind, hand made, quality costumes and accessories. I also do custom orders for bellydance cabaret and tribal style performances.

A resident of Lansing, MI for over 20 years. Abeer Dance logo was created; meaning 'Strong Dance' embroidered in Arabic on each costume liner.
